Stronger Together: *EGFR Resisters' Patient and Caregiver Summit*

Bringing the EGFR community together to learn, connect, and draw strength through shared support and knowledge

Mark your calendar for Stronger Together, the inaugural in-person summit for the EGFR community. This 3-day gathering in Chicago is a unique opportunity for patients, caregivers, and loved ones navigating life with EGFRm lung cancer.

November 14-16, 2025
Chicago, Illinois
Loews Chicago Hotel

Hosted by
EGFR Resisters

THROUGHOUT THE SUMMIT, YOU WILL...

- Learn from leading EGFR experts about the latest treatments, clinical trials, emerging therapies, and advances in care
- Discover practical tips for managing side effects, navigating daily life, communicating with your care team, and finding emotional and social support
- Join dedicated sessions designed specifically for caregivers and loved ones, offering tools, resources, and support tailored to their unique challenges
- Find strength and hope in community by sharing your story and connecting with others living with EGFRm lung cancer

A formal invitation with registration information to follow.
Scholarships for travel and accommodation are available for individuals residing in North America on a first-come, first-served basis.
